

Environment

We're committed to unlocking the **prosperity and jobs** that comes with a transition to clean energy.

Our **\$2.8 billion investment** in renewable energy and storage will help deliver that transition. We're also taking action to protect our environment, including:

- ✔ **\$18.8 million** to continue the **Healthy Estuaries WA program** to improve water quality of estuaries across the region;
- ✔ **\$36 million** to create dozens of new jobs to help deliver on the historic decision to **end native logging**.

Transport

Our State Budget invests an additional **\$5.2 billion in regional roads**.

- ✔ **490 regional WA jobs** have been secured by bringing Main Roads maintenance jobs **back in-house**.
- ✔ We're continuing to deliver \$250 million for the **Pinjarra Heavy Haulage Deviation** and \$110 million to **duplicate Mandurah Estuary bridge**, with planning currently underway for both projects.

Our Budget Message

Our State Budget provides genuine cost of living relief for households and small businesses in Murray-Wellington.

It features a record investment in our health system, plus we're delivering major infrastructure projects that will improve future services and drive our local economy.

Budget Highlights

The McGowan Labor Government is delivering for people in Murray-Wellington and across WA, including:

- ✔ **\$400 Electricity Credit for every WA household** - bringing total power bill assistance over three years to **\$1,400**.
- ✔ **\$2.7 billion** in new investment in **health and mental health** - backing in our record spending.
- ✔ **\$750 million** in extra funding to boost housing and land supply and address homelessness.
- ✔ \$2.4 million to complete the **Waroona Town Centre Revitalisation project**.

Cost of Living

- ✔ We're giving every WA household a **\$400 Electricity Credit** - and **\$826 for those most in need**.
- ✔ We're also giving a **\$650 Electricity Credit** to **eligible small businesses**.
- ✔ **We stopped Liberal-National plans to privatise our energy assets**, meaning we've avoided spiralling power prices and allowed us to provide energy bill relief for families.
- ✔ We're **increasing the Cost of Living Rebate** for WA Seniors Card members.

Housing

- ✔ Our **\$750 million boost to housing supply and choice** will get more Western Australians into affordable homes.
- ✔ This includes **\$450 million extra** for the Social Housing Investment Fund - meaning **4,000 homes will be built with 1,200 already delivered**.
- ✔ We're also **boosting the Government Regional Officer Housing budget by \$61.6 million** - building extra homes, refurbishing existing homes and freezing GROH rents to support the public sector workforce in the regions.

- ✔ We're now at **97 per cent** of our goal to deliver **125,000 new jobs by 2025-26, two years** ahead of schedule - **putting WA Jobs first**.
- ✔ We're funding a **\$2,000 training completion payment** for housing construction apprentices and up to **\$500 worth of tool and safety equipment rebates**.
- ✔ We're delivering \$2.5 million to **increase the travel and accommodation allowance** for **WA apprentices and trainees** who are required to travel long distances off-the-job for their training.

Jobs & Training

- ✔ We're committed to the regions - which is why we're allocating a **further \$4 billion in spending** to the **Royalties for Regions** program over the next four years.
- ✔ We're funding **\$11.2 billion of infrastructure investment in regional WA** - and only **9 per cent** of that is Royalties for Region funding, which means we're making **substantial extra** investments in our regions.
- ✔ Whether it's funding for cost of living relief, health, housing or specific regional initiatives like agriculture and national parks - **we're supporting regional WA**.

Regional WA

Health

- ✔ We're investing a further **\$2.7 billion in WA health and mental health** - bringing our new investment to an unprecedented **\$10 billion over the last three years**.
- ✔ An additional **\$75 million** is being spent to address **ED pressures and ambulance ramping**, bringing the total spend on ED specific initiatives to over **\$452 million in this term of government**.
- ✔ Despite global health workforce shortages, we've **increased our health workforce by 22%** over three years - and **we're going to help pay off HECS-HELP loans** for new nurses in WA regions.

Community Safety

- ✔ We're further funding **Operation Regional Shield** by **\$11.7 million**, securing frontline police resources in communities dealing with youth crime.
- ✔ Our **\$400 Seniors Security Rebate** is proving popular, with over **\$7 million** being spent on security systems and CCTV, helping keep our seniors safe.
- ✔ We're providing \$24.4 million to bolster the **Department of Fire and Emergency Services natural disaster recovery team**.
